

First Presbyterian Preschool

4's Enrichment Program

Our 4's Enrichment Program is a supplement to our current 4's Preschool class. The goal of Enrichment is to enhance kindergarten readiness through experiential learning.

4's Enrichment complements our current curriculum with four field based units of study: Farm to Table, The Arts, Outdoor Exploration, and Our Community. We collaborate with local artists, businesses, parks and museums to provide a valuable learning experience for the students.

Farm to Table

The Arts

Outdoor Exploration
